This was mentioned at one of the wed am mtgs a few weeks back. We're ok with ours being posted.
Wonder why they aren't?

Subject: FW: EA Red Flag Comments

Agency red flag comments on EA and ICF responses were posted on BDCP website two days ago. I had no idea that this was going to happen – learned of it from an email from Jason. Link below:

I recall that EPA provide red flag comments as well, but I don't think they were included on the web posting.
